

2024

Last night, we had the privilege of watching our students shine on stage at the Footsteps concert, a truly amazing way to end the term. This event was the culmination of a term's hard work, where students dedicated themselves to learning complex choreography. The concert highlighted not only their resilience and teamwork but also their growing confidence in themselves and their abilities.

For many, the experience of performing in front of over 300 people was a remarkable achievement in itself. We want to acknowledge the tremendous effort of all the staff who went the extra mile to make this event a reality. We are fortunate to have such talented students at our school, and last night, they truly showed what they are capable of.

One of the highlights of the day was a special performance from our teachers during the dress rehearsal. It was a wonderful opportunity for us as educators to model the same skills we encourage in our students—learning new things, showing resilience, and working together as a team. It was a powerful reminder that, just like our students, we too can step outside our comfort zones and grow.

A heartfelt thank you to all the parents, friends, and family members who came to support and share in this special evening. Your presence added to the joy and excitement of the event, and we couldn't have done it without you.

It was a fantastic night, filled with joy, energy, and a sense of community. We couldn't have asked for a better way to end the term, and we look forward to more opportunities to celebrate our student's achievements in the future!
